Sustainability Reporting Standards Board

Introduction & Objective

- ICAI is proud to present the ICAI Sustainability Reporting Awards 2025-26, recognising excellence in BRSR.
- This Prestigious event honors organisations that demonstrate exceptional commitment to sustainable practice and transparent disclosure, aligned with global benchmarks and the United Nations Sustainable Development Goals (SDGs).

Note:

In a case where an organization is engaged in both Manufacturing and the Service Sector, the dominant source of revenue (Turnover more than 50%) will determine the category to which the organization belongs.

Disclaimer

- ICAI confers these awards based on evaluation criteria of ICAI. Please note that while we strive for accuracy, ICAI does not guarantee the accuracy of the data or information provided by entities in their BRSR Reports and other supporting documents submitted by the entities
- **Criteria for Withdrawal of Award by ICAI :** ICAI reserves the right to withdraw any award presented in case of any misrepresentation, misconduct, complaint, or finding of non-compliance with the award criteria. This action may be initiated based on new information, complaints, or verification issues that arise after the award has been granted. ICAI's decision in this regard shall be final and binding.

Nomination Guidelines

Organisations are usually required to prepare their BRSR and other sustainability reports in accordance with recognised sustainability reporting standards mentioned by SEBI. Compliance with these standards is often a key aspect of the evaluation.

Mandatory Documents Required

Business Responsibility and
Sustainability Report
(BRSR)

Annual
Report

Chairman's Statement/
Speech at the Annual
General Meeting

Company
Profile
